5/4-6 Clyde Street RANDWICK NSW

3 2 2

More like a house in scale and ambiance, this two level townhome is completely secluded from the street in a leafy and quiet cul-de-sac. With a prized corner position and only one common wall, it opens out to a deep wraparound terrace with kid's cubby house and lush tropical garden surrounds. Tucked away in a tranquil and tightly held pocket between Randwick village and Coogee beach, it offers a superb alternative to a semi with the added bonus of double undercover parking.
