A superb blend of beach house appeal and designer flair captures the essence of relaxed coastal living in this architect-designed family home. Overlooking Coogee Tennis Club, the grandly scaled two-storey home has been designed to embrace the outdoors with an internal entertainer's deck and landscaped courtyard perfectly suited to barefoot beachside living. Interiors take their design cues from its coastal setting, 450m to the sand and surf, with a natural palette of stone and timber while a flexible family focused layout features four spacious bedrooms and a home office/media room or fifth bedroom.
